

### **About Nayara Energy:**

Nayara Energy is an integrated downstream oil company of international scale with strong presence in the hydrocarbon value chain from refining production to marketing in a number of segments including Retail. In August 2017, the company was acquired by international investors Rosneft (a leader of Russia's petroleum industry and the world's largest public oil and gas company by liquid hydrocarbon production and reserves) and an investment consortium comprised of global commodity trading firm Trafigura and UCP Investment Group.

Nayara Energy owns India's second largest single site refinery at Vadinar, Gujarat with a current capacity of 20MMTPA. It is one of the world's most modern and complex refineries with a complexity of 11.8, which is amongst the highest globally. Nayara Energy has become the fastest growing retail business chain in India with the largest private sector fuel retail network. The company has over 4,900 operational outlets spread across 28 states and 4 Union Territories
