

Nayara Energy Crosses 7,000 Retail Outlets, Strengthening Reliable Fuel Access Across India

- Reinforces Nayara Energy's position as India's largest private fuel retailer and the country's largest private owner of Retail Fuel Outlets (RFOs).
- Expands access to reliable, high-quality fuel across urban centres, highways, growth corridors and rural markets.
- Continues to expand its retail network steadily, adding nearly one outlet a day.

National, 22 June 2026: Nayara Energy, India's largest private fuel retailer, has crossed the milestone of 7,000 retail outlets, further strengthening access to reliable, high-quality fuel across the country. Connecting urban centres, key highways, growth corridors, tier 2 cities and rural markets, the network plays a critical role in fuelling India's everyday mobility. Nayara Energy has been steadily expanding its retail footprint having added over 500 stations in the last 18 months. This translates to nearly one new outlet every day, thereby, reflecting its continued investment in strengthening fuel access.

Its growing network is anchored in a clear focus of delivering assured quality and right quantity of fuel, backed by consistent operational standards and a seamless customer experience across locations. With a strong focus on customer experience, Nayara Energy continues to enhance its retail offering beyond supply of quality fuel through modern consumer friendly forecourt designs and various convenience-led services.

With a balanced presence across metropolitan centers, growth corridors, and emerging markets, Nayara Energy's network is designed to serve the diverse and evolving needs of India's consumers and businesses. Nearly one-third of its retail outlets are located in the hinterland, supporting access in areas where fuel infrastructure continues to evolve, while complementing its broader nationwide network that delivers consistent service and reliability across geographies.

Beyond expanding fuel access, Nayara Energy's expanding retail network is creating a wider economic impact. Its Dealer Owned Dealer Operated (DODO) model has enabled scalable growth through local entrepreneurship and long-term partnerships. Today, the retail ecosystem supports more than 55,000 livelihoods, driving employment and community-level economic participation across India. Each new outlet strengthens Nayara Energy's role as a trusted mobility partner, creating value for customers, dealers, partners, employees, and communities.

Guided by its "In India for India" philosophy, Nayara Energy continues to invest in strengthening its retail network, enhancing customer experience, and delivering reliable energy solutions that support the country's mobility and growth aspirations. The Company remains committed to being a trusted fuel partner in meeting India's evolving energy needs through operational excellence, customer-centricity and sustainable, inclusive growth.

About Nayara Energy

Nayara Energy is an integrated downstream energy and petrochemicals company with a formidable presence spanning across the entire hydrocarbon value chain, from Refining to Retail. Nayara Energy operates in India for India driven by a relentless commitment to fuel the nation's energy aspirations. At the heart of our operations lies the Vadinar refinery, India's second-largest single-site refinery with a capacity of 20MMTPA. With over 7000 Retail Outlets, we cater to the need for reliable and safe mobility across the length and breadth of the country. We have adopted a phase wise asset development strategy and have forayed into petrochemicals sector with a 450 KTPA Polypropylene plant which is a significant step in our crude to chemicals journey. Through sustainable development projects in Health and Nutrition, Education and Skill Development, and Sustainable Livelihoods, Nayara Energy enhances the quality of life in the communities it operates in. Delivering value for all our stakeholders is at the very core of our beliefs and we are committed to providing the energy that fuels the dreams of our employees, customers, partners and communities.
