

NAYARA ENERGY LAUNCHES COVID CARE CENTRE IN ZAKHAR

- The Covid care centre was virtually inaugurated by Hon'ble Gujarat Chief Minister Shri Vijaybhai Rupani
- *50-bed, first-level Covid care centre to provide the community with improved healthcare facilities*
- *Plans to enhance capacity of beds in the coming months*

May 23, 2021: As the country battles the second wave of the pandemic, Nayara Energy, a downstream energy and petrochemicals company of international scale extended further support for people near its Vadinar refinery. The company today announced the launch of a Covid care centre with 50 beds in Zakhhar village, to provide for the care and treatment of Covid-19 positive patients suffering with mild infections in the region. The Covid care centre was virtually inaugurated by **Shri. Vijaybhai Rupani**, Hon'ble Chief Minister, State of Gujarat from his Gandhinagar office. Shri R. C. Faldu - Cabinet Minister Gujarat State (Agriculture, Fisheries, Animal Husbandry & Transport); Shri. Dharmendrasinh Jadeja - Gujarat State Minister (Food, Civil Supplies, Consumer Affairs & Cottage Industry), Hon'ble Ms Poonamben Madaam – Member of Parliament Devbhumi Dwarka & Jamnagar, Shri. Dharmashibhai Chaniyara – President District Panchayat Jamnagar, and Shri. Rameshbhai Mungara – President BJP Jamnagar District, along with Dr. Alois Virag – Chief Executive Officer, Nayara Energy, attended the event.

In the coming months, Nayara Energy plans to strengthen capacity with additional 50 beds and a total of over 100 beds to scale relief efforts and make affordable healthcare accessible to more members of the community. The centre will have 4 dormitory halls, two of which will be equipped with 16 beds along with dedicated oxygen cylinders and oxygen concentrators, one open hall to accommodate 100 beds with separate toilets for males and females supported by a generator backup facility.

The centre will operate on a 24/7 basis in shifts and will be manned by MBBS doctors, paramedics, attendants & pharmacists. The team will be supported by a senior physician daily. The centre will also have a 24-hours ambulance service with an oxygen facility for transferring patients to the Government hospital in Jamnagar / Khambhalia – GG Hospital and General Hospital. The overall operation and management of the Center will be led by Nayara Energy supported by Helpage India and the Gram Panchayat of Zakhhar.

Appreciating Nayara Energy's efforts to set up a Covid care centre, **Hon'ble Chief Minister of Gujarat**, Shri. Vijaybhai Rupani said, *"I would like to congratulate the efforts of Nayara Energy for rising to the occasion in times of crisis, with their spirit of being socially responsible, establishing a Covid Care centre, and providing excellent facilities for the people in and around Zakhhar as well as regions within the District. The centre has been designed to provide best-in-class timely and quick Covid Care services. Currently, in Gujarat, in the second wave of the pandemic the number of Covid positive cases are reducing, but we need to be careful until the vaccination drive is completed. Experts are already speaking about the third wave and with facilities like these we are preparing for situations well in advance."*

Speaking on the inauguration of the Covid care centre, **Dr Alois Virag, Chief Executive Officer, Nayara Energy Limited** said, *"Nayara Energy recognises the need to mobilise resources and aid the government's efforts in the fight against the pandemic. We stand in solidarity with the people and the Government of Gujarat collaborating with local departments to provide people with necessary food provisions, critical healthcare equipment, protective gears and sanitization equipment. With the Zakhhar Covid Care centre, we are proud to further our contribution in our relentless efforts to support the*

communities around us. Moreover, Nayara Energy is committed to enhance the capacity of the Covid Care centre so that more people in need can access medical care in a timely manner.”

Nayara Energy continues to partner many communities around the Vadinar Refinery through various sustainable development projects in areas of health & sanitation, education & skill development and sustainable livelihoods

About Nayara Energy

Nayara Energy is a downstream energy and petrochemicals company of international scale with strong presence across the hydrocarbon value chain from refining to retail.

In August 2017, the company was acquired by international investors, Rosneft and an investment consortium comprising of global commodity trading firm, Trafigura and UCP Investment Group. The company owns and operates India's second largest single site refinery at Vadinar, Gujarat with a current capacity of 20MMTPA. The refinery is one of the world's most modern and complex refineries with a complexity of 11.8, which is amongst the highest globally. Nayara Energy's fuel retail network consists of 6000+ outlets across India and is the fastest growing private retailer in the energy sector.
