

Nayara Energy conducts Road Safety Capacity Building Training Program

Mumbai, September 23, 2022: Nayara Energy, a downstream energy and petrochemicals company of international scale, conducted a three-day Road Safety Capacity Building Training Program in Devbhumi, Dwarka, for its internal and external stakeholders. The training program included workshops and seminars which touched upon various aspects of road safety, investigations & life saving techniques for Police Officers, Government Officials and Nayara employees and staff.

The training program has been organized in association with M/s A.K. Construction Manufacturers Pvt. Ltd. (AKCM), a reputed organization specializing in Road Safety & Road Engineering. Aimed at strengthening the road safety capacity, the initiative witnessed participation of more than 500 people including Government officials and Nayara officials. Through these seminars and workshops, participants learned about best road safety practices, crash investigations, Good Samaritan Law, Motor Vehicle Act, etc. and most importantly practical applications related to Life Saving Techniques and much more.

The event witnessed participation of eminent personalities including Chief Guest Mr. Nitesh Pandey, IPS, SP, Devbhumi-Dwarka, Guest of Honour, Shri. Sanjay Yadav, Project Director, NHAI along with Mr. Atul Kumar, (ex CGM, NHAI), Prof Bhargab Maitra (IIT Kharagpur), Dr Tanuj Chopra (TIET) and Dr P K Sarkar (Sr. Transportation Expert).

Senior Government officials from NHAI, Road & Building Department, RTO, Traffic, Road and Safety, AKCM and Muskaan Foundation also participated in the event.

Commenting on the initiative, Prasad K Panicker, Director & Head of Refinery, Nayara Energy Ltd said, "We often tend to under-estimate the dangers on roads and related aspects. Being one of the safest, reliable and efficient refineries in India, Nayara is a highly ethical company committed to adhering to all safety standards for its transportation needs. Through our efforts of conducting the road safety training program we wanted to bring out the sense of responsibility towards road safety and reduce the rate of accidents in the country I would like to express my sincere gratitude to all the police officials, our partners and other stakeholders for their wholehearted support in making this initiative a success and addressing an important cause."

About Nayara Energy

Nayara Energy is a downstream & petrochemicals company of international scale with strong presence across the hydrocarbon value chain from refining to retail. In August 2017, the company was acquired by international investors, Rosneft and an investment consortium comprising of global commodity trading firm, Trafigura and UCP Investment Group. The company owns and operates India's second largest single site refinery at Vadinar, Gujarat with a current capacity of 20MMTPA. The refinery is one of the world's most modern and complex refineries with a complexity of 11.8, which is amongst the highest globally.
